Sagesse High School - Ain Saadeh

SUMMER CAMP 2024 INFO

Through its sports,
cultural and artistic programs,
rich in fun and educational activities,

Enfants du Soleil accompanies your children in a
process of exchange, sharing and learning.

Within various areas of activity, each child,
according to his age, takes part in a collective
adventure on the path to pleasure & autonomy..

Our specialty? Combining education
with pedagogy to develop and build
motor, methodological, and social skills.

▶ The world of the Big Blue represents the oceans and seas that cover approximately 70% of the Earth's surface! It is a universe in itself, inhabited by billions of creatures, most of which remain unknown and eagerly await discovery by humans! Fish, seafood, marine animals, and plants are all fantastic elements of a marvelous and magical ecosystem!

▶ Enfants du Soleil takes the children of the 2024 summer camp to explore the Big Blue from every angle through discoveries and learning... introducing new activities that enhance the already diverse program of sports, workshops, performances, and countless playful entertainments! The Big Blue encompasses the Mediterranean, it is Lebanon with its beaches and coastline, it is the space where ancient civilizations were born...

Children will find chemistry-laboratory and painting workshops..., as well as weekly themed activities, water games, cars, laser tag and much more !

GROUPS

Petit Club - PC	KG1
Mini Club 1 - MC1	KG2 - KG3 and Grade 1
Mini Club 2 - MC2	Grade 2 and Grade 3
Club Ados - CA	Grade 4, Grade 5 and Grade 6

Since 2006,
our summer camps
have attracted thousands of children
who we have cared for
with professionalism and love.

SCHEDULE

From Monday till Friday, from 8h30 or 9h00 till 14h00.

We welcome children starting 7h30 and till 15h00.

The summer camp starts Monday the 1st of July till *Friday the 30th of August 2024.*

REGISTRATION

Parents who wish to enroll their children in the 2024 summer camp are asked to provide all required information by accessing the registration hyperlink at <https://eds-scms.azurewebsites.net/NouvelleInscriptionEnLigne> starting from April 29th.

Please save the registration number displayed at the end of the registration process. Use this number to proceed with the payment.

Payment will take place within the school premises, in the administration offices, **from 07:30 to 10:30 am, in a single installment, in cash and in dollars, from Monday, June 3rd to Friday, June 14th, 2024,** except for Saturday and Sunday.

*Please note that places are limited.

**Registration only takes effect after payment of the registration fees.

***Online registration does not guarantee a reservation of a spot.

Weekly activities, shows and workshops related to the summer camp's general theme!

The 2024 Summer Camp – special edition!

- ▶ ▶ ▶ **The 2024 summer camp promises to be more original and entertaining than ever!**

In addition to sports, artistic and cultural activities, the program for this year's camp includes new themes, new shows, and creative workshops!

Children will be treated to fabulous shows! There will also be periods of artistic and self-expression workshops, which are flagship activities of the EdS summer camp. A Fiesta Day will also be celebrated!

Fiesta Day

This summer's fiesta day allows children to play all day with four themes simultaneously. You may check below the schedule of the proposed themes.

Water Games

Foam cannons, wind soap bubbles, pedal boats, inflatable pools, water fights, slip and slide, and swimming... Children will be as happy as fish in the water!

Robinson Crusoe

Just like the fictional character Robinson Crusoe, children will experience direct contact with nature and its elements by learning camping skills, exploring the world of plants and animals in the forest, and more. These will be moments of wonder and adventure at the EdS-2024summer camp!

Cars

The drivers of tomorrow will be forged today. Children will drive pedal cars and learn the rules of the road! Crazy Razor Carts, slot cars and pedal carts!

Inflatable games

Overcoming obstacles, surpassing oneself and defying difficulties in joy and a good sense of humor with inflatable games!

Kermess

Back to the days when we knew how to have fun by mixing joy, games and freedom! Old-fashioned fairs where shooting ranges rub shoulders with manual and artistic creation workshops, races and endurance challenges...moments of happiness at the EdS-2024 summer camp!

Metropolis

The big cities with their commercial and urban activities, streets, and bustling life: domains to explore and experiences to live in a simulation tailored for the little citizens!

Laser Tag / Paintball

Warriors of modern times that lead peaceful fights in the most sophisticated arenas! Our Laser Tag sessions are a whole mix of excitement, competition, joy and new strategies. Not to be missed in the EdS-2024 summer camp!

Ball Room Fiesta

During the final week of the summer camp, we say goodbye to our well-entertained children in a joyous way and prepare them to go back to school in excitement.

Week 1 : 01 July – 05 July

04 July : MC2 – CA: Ballroom fiesta, Kermess, Metropolis, Water games

05 July : PC – MC1: Ballroom fiesta, Kermess, Metropolis, Water games

Week 3 : 15 July - 19 July

15 July: MC2 – CA: Cars, Robinson Crusoe, Inflatable games, Laser Tag / Paintball

16 July : PC – MC1: Cars, Robinson Crusoe, Inflatable games, Laser Tag / Paintball

Week 5 : 29 July – 02 August

29 July: MC2 – CA: Ballroom fiesta, Kermess, Metropolis, Water games

30 July: PC – MC1: Ballroom fiesta, Kermess, Metropolis, Water games

Week 7 : 12 August – 16 August

12 August : MC2 – CA: Cars, Robinson Crusoe, Inflatable games, Laser Tag / Paintball

13 August : PC – MC1: Cars, Robinson Crusoe, Inflatable games, Laser Tag / Paintball

Week 9 : 26 August – 30 August

26 August: MC2 – CA: Ballroom fiesta, Kermess, Metropolis, Water games

27 August : PC – MC1: Ballroom fiesta, Kermess, Metropolis, Water games

Shows

duration: 1 hour

Every show is prepared by professionals to educate and to offer moments of fun and joy to entertain the kids!

You may check below the schedule of the proposed shows.

► Clown Show (Zammour)

Between the clown and the children, a story of love and wonder! Under the circus dome, on the theater stage, in the street, and on TV, the clown's performance is always the most anticipated! Jokes, games, and mischief follow one another, creating genuine laughter from enchanted children! Zammour, the famous Lebanese clown, invites children to the 2024 Kids of the Sun summer camp!

**There he is, the clown! There he is, the jester!
Laugh, children, laugh with all your heart,
Joy comes alive when sorrow departs!
Zammour has come with his jokes and songs!**

► Planetarium

Step inside the planetarium dome and travel beyond the Earth's atmosphere! Let the kids embark on an educational and captivating interstellar journey, exploring the planets of our own galaxy and even those from faraway galaxies! This immersive show will take them to places they've never been before and teach them about the wonders of our universe. Get ready for a cosmic adventure like no other!

**Come and explore the universe,
With planets, stars and so much more!
Our dome will take you on a journey diverse,
To galaxies far beyond our door!**

▶ **Harry and Katie**

It's the story of an extraordinary encounter:
child prodigies, eco-friendly aliens,
a restless night, a debate of ideas...
it's all there! Main theme: Earth!

How to preserve the Earth and combat pollution caused by industrial and commercial activities – these are the points fervently discussed by the protagonists of this play! Ultimate goal: prevent an extraterrestrial invasion and save the human race!

Two children, Harry and Katie
One is a prodigy; the other is beautiful!
Eco-friendly extraterrestrials, concerned about Earth
Heated debates to avoid war!

▶ **Magic show**

Magic fans will find what they're looking for
in this spectacle full of amazing tricks; rabbits,
pigeons and other animals will make an appearance...
lots of magic tricks will be on display!

Magicians, magicians!
Who's the strongest, who's the most villainous?
In your bags, you hide tricks,
In your hats, rabbits!

▶ **Bubble show**

Balls and balls in the air, of different colors, different sizes! Light balls called bubbles! A dancing ball, a harmony concert created just for the pleasure of childish eyes! A breathtaking show designed to enchant both the young and the old, taking them far, far away into a world of dreams...

Fly high, higher, the multicolored bubbles!
Create a universe of planets and stars with a thousand gleams!
Take the children swiftly and without remorse,
To a paradise of dreams, harmony, and happiness!

Week 1 : 01 July – 05 July
Monday 01 July: Magic Show

Week 2 : 08 July – 12 July
Friday 12 July: Planetarium

Week 4 : 22 July – 26 July
Friday 26 July : Harry & Katie

Week 6 : 05 August– 09 August
Friday 09 August : Clown (Zammour)

Week 7 : 12 August – 16 August
Friday 16 August : Magic show

Week 9 : 26 August – 30 August
Friday 30 August : Bubble show

Workshops

duration: 2 hours

The purpose of these workshops is to combine education and amusement. Kids learn better when they are having fun! You may check below the schedule of the proposed workshops.

▶ Robotics

This workshop offers activities in the field of robotics, including the creation of a car and a hand lever. Children will have fun programming the robot and seeing the results of their work.

**A robot to assemble,
It's not an easy feat!
But at summer camp this year,
Everything becomes accessible!**

▶ Chemistry Laboratory

Being a doctor, pharmacist, or laboratory technician, all these options will be explored in this workshop. Children will conduct chemical experiments under the supervision of our professional team, experiencing the wonder of chemical reactions!

**Here's a mixture you shouldn't eat,
Nor drink, nor even touch!
A white lab coat and specialist gloves,
Our children will look like real chemists!**

► Candles

Melting paraffin wax with special machines, children forge their own candles using silicone molds and coloring them! The children will each take home their own handmade personalized candle!

**Light a candle,
To illuminate the darkness!
Make a candle,
The light banishes the shadow!**

► Mosaics

Wooden mosaic assemblies will be available to the children, and they will work in teams to create an artistic picture.

**There are painters, there are sculptors,
There are those who draw,
there are those who stitch;
At the summer camp, arts in the spotlight,
Paintings, drawings, and mosaics!**

► Painting

Learning about different colors and their shades and acquiring basic techniques of mixing colors using a brush, palette and easel!

**Bring your palettes, prepare your brushes!
Who wants to be Van Gogh, who wants to be Picasso?
Our paintings will be the most beautiful in the world
Better than Guernica, better than the Mona Lisa!**

Week 2 : 08 July – 12 July
Robotics

Week 3 : 15 July – 19 July
Painting

Week 4 : 22 July – 26 July
Chemistry-Laboratory

Week 6 : 05 August – 09 August
Mosaics

Week 8 : 19 August – 23 August
Candles
